

HOUSEBOUND-IN-FACT EVIDENCE

The question is substantial confinement caused by service-connected disability, not whether the veteran ever leaves home.

ELIGIBILITY LEDGER

STATUTORY REVIEW

TOTAL	Single total disability Identify the schedular 100 percent disability or qualifying single-disability TDIU basis.	RANGE	Actual travel pattern Document frequency, destination, duration, assistance, medical necessity, and recovery after leaving home.
CAUSE	Service-connected cause Separate confinement caused by service-connected disability from age or non-service-connected conditions.	LIFE	Expected continuation Use medical evidence addressing whether confinement is reasonably certain to continue throughout life.
